In Memoriam – Shu H Yoon, MD, FRCSC

It is with great sadness that AST acknowledges the death of Dr. Shu H. Yoon. A retired medical doctor, Dr. Yoon took a keen interest in theological education and was a regular visitor to AST's campus. A prime example of a lifelong learner, Dr. Yoon audited more than 20 courses at AST. His compassion for people and his wisdom, developed over many years as a medical professional, was a source of inspiration to students, faculty, and staff alike. A huge supporter of the university, both monetarily and otherwise, Dr. Yoon was recognized in 2014 with an honorary doctor of divinity degree.

Dr. Yoon's obituary was published in the June 2 edition of the Halifax Herald:
