Dear Alumni:

As you may know, we are planning a new format for the AST magazine. The next issue will hopefully be ready for mailing in the second half of October.

In our fall edition of the AST magazine we would like to include a new section on powerful/effective sermons and invite you to submit one that you feel especially good about. We will then pick one for our fall edition or possibly a future edition. We are hoping that in time this section could evolve into a resource for other alumni in their preaching ministry.

The easiest way to submit your sermon is as an email attachment. If you want to mail a hard copy, please send it to:

Ms. Dawn Robertson
Atlantic School of Theology
660 Francklyn St.
Halifax, N.S. B3H 3B5

Should your sermon be selected, we will be contacting you to confirm that we will be printing the sermon and to request a photo.

It would be appreciated if you could submit your sermon no later than the end of September. We will, of course, respond to all submissions.

Thank you for your consideration of this request. If you have any questions, please contact me either by email or telephone (902)496-7940.

Blessings!

Mauritz "Moe" Erhard
