

Dear students,

Welcome (or welcome back) to Atlantic School of Theology. Our life together is enriched and enabled by the participation of all of our university community members – including you! I hope that you will take every opportunity to enjoy all that we share, from a terrific library and outstanding instructors to this beautiful campus and many enriching special events.

Don't forget to ask for help when you need it. This is a community of learning and faith, and we find our way together.

I invite you to make a special effort to attend the daily chapel services at 11:45 a.m., especially on Thursdays (“community day” at AST). Communal prayer is at the heart of this university's life. If you are off campus in the Fall or Winter terms, please know that we are keeping you in prayer in our chapel services in Halifax.

Once again, welcome. I look forward to seeing you soon.

Peace,
Rev. Dr. Rob Fennell
Academic Dean

p.s. Please make a note and plan to attend our Matriculation Service on Thursday, 19 September 2019 at 11:45 a.m. in St. Columba Chapel (on campus). This is a unique service of worship where we form and re-form our community of learning and faith. It is for all students, faculty, and staff.
