How to get your AST Student ID/Library card

Your AST Student ID card is also your Library card. AST Student IDs will be issued at the Patrick Power Library at Saint Mary's University.

The first step to get your library card is to stop by the AST Library's circulation desk with your AST Registration Confirmation Form (prepared and signed by the Registrar at AST) where you will be asked to fill out an AST Library Card Application Form.

Next you will need to get your ID card, which will also serve as your library card. You will need to go to the Patrick Power Library at SMU, to the University ID Centre. Please bring your Registration Confirmation Form and photo ID.

Once your card has been issued at SMU, bring it back to the AST Library so it can be attached to your account at AST and you can receive an expiration sticker for the card.

If you have any questions, contact the AST Library at 902-423-7986.
