

Summary of Graduate Course Offerings 2021-22

**** IMPORTANT NOTICE REGARDING COVID-19 PROTOCOLS**

Atlantic School of Theology is attentive and responsive to all public health protocols and requirements with respect to on-campus classes and other events. AST observes gathering limits (number of persons), enhanced cleaning practices, physical distancing, contact tracing, the use of face coverings, and other modifications to do everything possible to keep students, personnel, and the public safe from harm. Persons with symptoms of or testing positive for contagious diseases should remain at home and not come to campus. Courses with on-campus components may transition to online-only if required.

HYB (hybrid courses) – “HYB” indicates that an on-campus class will be convened at a specific time, with a simultaneous livestreamed interactive link for those who prefer or need to learn at a distance from campus. Class sessions will not be recorded.

INT (internet-based) courses are asynchronous (students participate at times that best suit their schedule) or a blend of synchronous and asynchronous elements (“in real time”). Any synchronous elements will be scheduled between 1:00 and 5:00 pm Atlantic time. Contact individual instructors for clarification.
