

Off Campus Access to the Research Databases

For registered AST students, faculty and staff only. The general public can only access this database while in the library.

1. Go to the AST Library homepage at <http://www.astheology.ns.ca/library/> and click on the *Databases* link found on the left side of the screen, under the **Find** menu.

Click the Databases link to view a list of the AST Library Research Databases

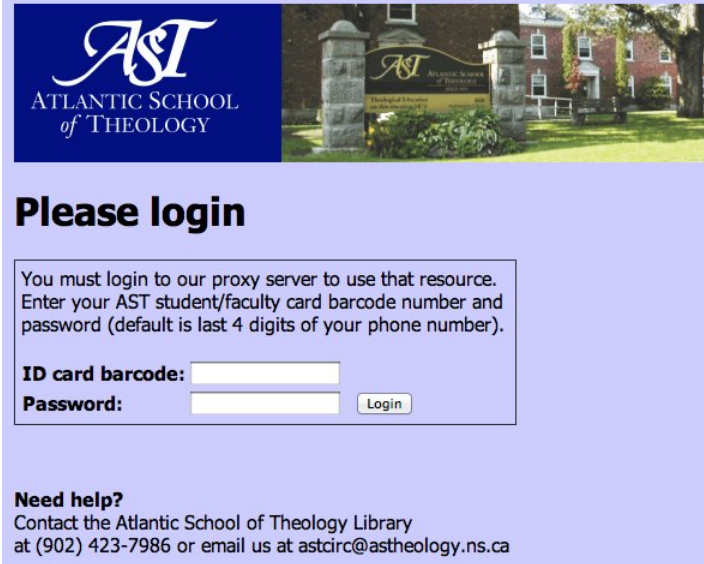

2. Select a database from the list provided.

Databases at the AST Library

- Scroll down or click on a column heading to see descriptions
- Click on a database name to begin searching
