Resignation of Tanya Moxley

It is with great regret that I have accepted the resignation of Tanya Moxley, the Director of our Diploma in Youth Ministry program. Tanya's last day with us was February 3, 2012. Tanya has done great work helping to get the program up and running. The program has been provided with a solid foundation and is now beginning to grow in exciting ways. The process of finding a successor for Tanya is under way and in the meantime we have arranged to ensure that the work required to support the program continues.

We wish Tanya well in her work at Saint Mary's University. We will arrange for her to be present in the school in the near future so that we can say thank you and farewell as a community.
